Your Individual Right to Self Defense

DONATE \$10.00 TO PROTECT THE FIRST TEN AMENDMENTS

Writing for the majority in District of Columbia v. Heller, Justice Antonin Scalia observed that,

"Nowhere else in the Constitution does a 'right' attributed to 'the people' refer to anything other than an individual right."

The Second amendment right to keep and bear arms is an individual right protected by the Constitution. It's time for New Hampshire to send someone to Washington who recognizes that.

As your next Congressman Steve Negron will fight to defend all your rights from government overreach [but he needs your support](#).

Democrat Ann Kuster has millions to defend Nancy Pelosi's values. Will you sign on with Steve and help bring New Hampshire values to Washington?

Will you give ten dollars to protect ten amendments?

Help Us Reach Our Goal Even Faster.
