The NHFC is pleased to offer this Primary Election Report Card for Governor, U.S. Senate, Congressional, and selected Executive Council, State Senate, and State Representative races. **Only those races in which there is an active primary are contained in this guide.**

These grades are the result of each candidate's answers to an extensive questionnaire and any available voting records. In addition, we may also use any other available information regarding a candidate's views on Second Amendment issues. Candidates who received an "RS" or a "?" and would like to receive a rating for the General Election may download a questionnaire from our website:

The NHFC, Inc. hopes that you will find this information useful when you vote in our state's Primary Elections on September 10th.
