The NHFC is pleased to offer this Primary Election Report Card for Governor, U.S. Senate, Congressional, and selected Executive Council, State Senate, and State Representative races. **Only those house races in which there is an active primary are contained in this guide.**

These grades are the result of each candidate's answers to an extensive questionnaire and any available voting records. In addition, we may also use any other available information regarding a candidate's views on Second Amendment issues. Candidates who received an "RS" or a "?" and would like to receive a rating for the General Election may download a questionnaire from our website:

<http://www.nhfc-ontarget.org>

The NHFC, Inc. hopes that you will find this information useful when you vote in our state's Primary Elections on September 8th.

WHAT THE GRADES MEAN:

- A+** 2nd Amendment leader, sponsors and promotes pro-gun legislation.
- A** Solid 2nd Amendment supporter, votes with NHFC, Inc. position 100%.
- B** Basically pro-2nd Amendment, but lacks understanding or solid conviction.
- C** Not considered a good grade. Has voted, or probably would vote against NHFC, Inc. position.
- D** Expected to always vote against gun owners' civil rights.
- F** Sponsors or promotes legislation hostile to 2nd Amendment civil rights.
- F(RS)** Refused to respond to our survey, hiding their positions on important 2nd Amendment issues. (sent by Certified Mail)
- PB** Has broken written promises concerning actions on Second Amendment Issues.
- *S** Grade is solely based on survey, without a voting record to back it up.
- ?** Failed to respond. (Higher offices had their surveys sent certified, so we know they received them, lower offices did not)
